Division	Net Height
3 rd & 4 th	6 feet
5 th & 6 th	7 feet
7 th & 8 th	7 feet 4 1/8 in

GAME BALLS

Game ball will be the referee's choice (color ball may be used) – best ball available. 3rd -6th grade will use Volley Lite balls or any similar lightweight ball designed for 12 and under play.

No jewelry may be worn – including earrings (band aids may not cover them). No face paint, hair paint or glitter. No hard beads or plastic headbands will be permitted. Bobby pins and flat hair clips are permitted as well as any soft headband. Jersey may only be tied back to compensate for size of shirt.

PLAYING TIME

All 3rd-6th grade recreational division teams must play each player one full set from start to finish.

Each player in a rotation subbing (not substitution) counts as playing one full set.

Coaches should strive for roughly even playing time or what is determined by your community.

Exception is if a player is injured or sick. You must play all your players regardless of the number of players on the opposing team.

Teams in the competitive/athletic divisions as well as 7th-12th recreational divisions have NO required playing time. This rule is in effect for the regular season as well as the post-season tournament. The scorekeeper must sit at the scorer's table. It is the scorekeeper's responsibility to keep track of playing time.

WARMUPS

Each match will have a warm-up that should last no longer than 5 minutes. Court time will be shared among teams. Cooperation between teams should be emphasized to ensure a safe warm-up.

Captains and head coach shall meet for a pregame conference covering ground rules/coin toss. The home team chooses their side. Then the referee will conduct a coin toss with winner of coin toss choosing between serving or receiving for the first set.

For tournament games, the same procedures apply. Home team is the team listed on the top of a bracket pairing

Each team will supply 1-line judge and the home team will supply the scorekeeper. If the home team does not have a scorekeeper, the score book of the visiting team will be used.

No jewelry may be worn – including earrings (band aids may not cover them). No face paint, hair paint or glitter. No hard beads or plastic headbands will be permitted. . **No hard beads or plastic headbands will be permitted (new OHSAA Rule?)**. Bobby pins and flat hair clips are permitted as well as any soft headband. Jersey may only be tied back to compensate for size of shirt. Please pay the Referee before the start of the match. The fee is \$26 and each team is required to pay \$13.

SUBMITTING A LINE-UP

1. Have your line-up ready when you arrive
2. Turn in line-up sheet to the scorer's table (circle your 1st server)
3. Remember, at the beginning of the game, the receiving team must rotate the first time they are awarded a side out.

GAME STRUCTURE

1. A match consists of 3 sets/games – play all 3 sets/games during the regular season
2. Use rally scoring – every time the ball hits the floor a point is awarded
3. Play all sets/games to 25 points, win by 2 points. 3rd game will be played to 15 win by 2
4. Play all 3 games in a match during regular season to determine league standings. However, during tournament games you may stop playing after either team wins 2 games of the match.
5. 2 timeouts per team per game
6. Teams MUST start a set with 5 players for it to be a legal set. If a team plays a set with 5 players, the “open” position must be maintained in the serving rotation and on the point. A side out point is awarded to the opposing team when the open position rotates to service.
7. If a team starts a set with fewer than 5 players, the team forfeits the set (i.e. 25-0 or 15-0 if it is the last set) but the teams can continue to play for the players to get touches.
8. Once the referee blows the whistle to serve, the player has 5 seconds to serve. Each team will be given one warning per match
9. Legal contact is a touch of the ball by any part of a player's body that does not allow the ball to come visibly to rest or involve prolonged contact with a player's body.
10. (Only one) A re-serve shall be called when the server releases the ball for service, then catches it or it drops to the floor. NFHS Rule 8 Art 6 A second dropped ball will result in loss of serve.
11. For 3rd and 4th grade recreational and athletic players only, a player can serve at most 4 consecutive points. If their team wins the fourth point, the team keeps possession of the ball, but the players must rotate so a new player will serve the next point.

12. For 5th and 6th grade recreational players only, a player can serve at most 6 consecutive points. If their team wins the sixth point, the team keeps possession of the ball, but the players must rotate so a new player will serve the next point.
13. Grades 3rd-6th recreational and 3rd/4th athletic can rotate up to 8 players if they choose to use rotation versus substitution. Teams are permitted to rotate in 1 or 2 players (into either zone 1 or 4). These players are listed in serving order at the beginning of each set. Players waiting to rotate onto the court should NOT touch the ball when it is hit at them. Every effort should be made to move away from the ball, judgment will be left up to the referee.
14. SUBSTITUTION RULE: 3-6 rec and 3rd/4th athletic CAN use substitution, or they can rotate. 7-8 Rec and 5-6 athletic can ONLY use substitution and not rotation. If using rotation and injury occurs to a player in the rotation, do not squeeze the rotation together. There is a ghost player in the injured player's position. An exceptional substitution may be used if there are players that are not in the rotation. (Rule 10.3 Article 6) The injured player must sit out the rest of that set.
15. A Libero can optionally be used for the 5th/6th grade athletic division but if a team uses a libero, they must have a libero tracker at the score table.
16. Unsporting conduct for a coach or player includes using disconcerting acts or words when an opponent is about to play the ball. Ex: yelling 'balls up' at the server. This will result in a replay. The official rule is a yellow card warning for first minor offense, then red card for first serious or second minor offense, which is point awarded for opponent. NFHS Rule 12.2.2 Penalties

SERVING LINES

3rd -4th grades may move into the court 15 feet.

5th -6th (both rec and athletic) may move in the court 10 feet.

Each home team MUST provide a clear marking of the serving line. If a line is not permanently painted on the floor, the home team must provide a marking on the gym floor that is easily visible to players and referees. The home team should ensure the away team and the referees know where this mark exists before the match begins. If an actual service line is not physically present on the gym floor, the service line will extend from the marking on the floor the entire length of the court. The official will use their best judgement.

FORFEITS

- A. Game one of the match is forfeited if a team does not have 5 or more players at game time.
- B. Games 2 and 3 are forfeited if after 10 minutes, a team does not have 5 or more players.
- C. If at any point a team has less than 5 able-bodied players that game and any subsequent games are forfeited.
- D. If a forfeit occurs, the forfeiting team pays the referee fee for both teams.

- E. If a team “no shows”, which is defined as not showing up to the game and the opposing coach, or the league have no knowledge of the intent not to play, they are required to pay the referee fee and a reschedule fee of \$50.

RESCHEDULING GAMES

1. No team may cancel a League game without approval from their community Coordinator and the League
2. Only games cancelled due to weather or gym closures will be rescheduled after December 17th unless approved by the League
3. Games may be rescheduled no less than (7) seven days in advance of their original scheduled date; no last-minute changes will be allowed. If a game is cancelled, within 7 days, the cancelling team will be responsible for the official’s fees
4. Rescheduling games should follow this process:
 - Team requesting change contacts their coordinator
 - Coordinator approves change and sends request to the other community coordinator
 - Once affected teams agree on a reschedule date, requesting coordinator submits the change to the League. The League will coordinate all schedule changes with the Referee Coordinator.
5. If coaches reschedule a game without the approval of the League and their Coordinator, the game will not be rescheduled and marked cancelled. The offending coach will be responsible for the ref fees.
6. The league will only reschedule games for sanctioned reasons:
 - School Event
 - Gym Closure
 - Illness resulting in less than five players able to participate
 - Inclement Weather
 - Failure to provide two officials
7. The League will not reschedule games for any reason except Gym Closure, Inclement Weather, or Illness resulting in less than five players after September 14th.
8. All schedule conflicts and school events must be listed in the Schedule Conflict Portal prior to the start of the schedule process to be considered and sanctioned.

GYM STAFFING

1. Each member community is responsible for opening gyms for their home games a minimum of 30 minutes before the start of the first game. Each gym must also have workers assigned to monitor the gym for all games scheduled to be played in that gym. The officials will ask who gym monitor is during the pregame conference.

2. The role of the gym monitor is to manage the gym, by ensuring a clean, safe environment and to manage the crowd, by controlling the behavior of all fans and assisting the officials in this area. The gym monitor should proactively manage the fans by reminding them of the Code of Conduct at the first sign of a violation.
3. Failure to have a gym monitor may result in the removal of home games.
4. Gym monitors are responsible to have a copy of the rules at the scorer's table.

ADMISSION

1. Maximum admission charges for all CPYVL games will be:
 - \$3.00 Adult
 - \$1.00 Student
 - \$7.00 Family
2. Admission fees may be charged at the discretion of each member community.
3. Entrants to a CPYVL game who verbally abuse or refuse to pay will be subject to discipline up to a two-game suspension for the first violation and expulsion for the remainder of the season on the second violation.

PLAYER, COACH AND PARENT/SPECTATOR CONDUCT

1. All players, coaches and parents/spectators are required to comply with the CPYVL Codes of Conduct and the CPYVL General League and Game Rules.
2. Failure to comply with the CPYVL Codes of Conduct may result in expulsion from the gym, suspension of the right to participate in the CPYVL and/or to attend CPYVL games. Additional disciplinary action will be determined by the Community who had the infracting parent, player, or coach and the League. The CPYVL reserves the right to impose discipline to any player, coach, parent, or fan, associated with a team participating in the CPYVL, in any situation the CPYVL deems appropriate.
3. All coaches, players, and fans are responsible for their own behavior. The quality of the officiating or the behavior of others is not justification for violating the CPYVL Codes of Conduct and/or the CPYVL General League and Game Rules.
4. CPYVL, when deemed appropriate by CPYVL, will conduct a third-party review of incidents requiring discipline. The League will pick a coordinator from an unaffiliated community to review the situation and the proposed discipline.
5. Any person involved in an incident resulting in police involvement will automatically be suspended for two games up to the remainder of the season and can only be reinstated upon review of the CPYVL.
6. The following conduct will result in automatic suspensions for coaches, players, and parents:

Threatening an official: Remainder of the Season

Approaching an official after a match: 3 games

Spectator Fighting (Physical altercation): Remainder of the Season **Spectator Ejection:** 2 games

Games are for the kids. The spectators are to be positive and support their team. A spectator ejection stops the game and is an embarrassment for players.

Fighting: 2 games

Fighting includes shoving, slapping, punching or any other action that an official would deem fighting, leading to the ejection.

Disciplining or commenting to an opposing player: 2 games

Coaches and parents need to only concern themselves with their team. It is inappropriate for a coach or parent to discipline, reprimand, or council an opposing player. If someone has an issue with an opposing player, the appropriate action is to report it to the coach or to your coordinator and allow them to handle it.

Game ejections: 1 game

Illegal Players: 1 game for player, 2 games for offending coach

An illegal player is defined as any player who participates in a game for a team and is not on their roster.

Touching or disciplining the opposing team's players or coach: 2 games

Coaches are prohibited to touch an opposing player in any manner other than to shake their hand after the game. Any coach is never allowed to discipline a player from the opposing team regardless of the reason.

After game incident: 1 game- player involved, 2 games coach or parent

All parties deemed by CPYVL to be involved will be automatically suspended. Typically, we do not have a third party, unbiased witness to after game incidents.

While we gather evidence from all parties involved, we rely on the evidence and testimony of unbiased third parties. It is different in every case and sometimes there is nobody in the gym that is unbiased. The referees are an extension of the league.
